also request that this change

Is applied to the billing details

Is NOT applied to the billing details

For all domain extensions except it, .eu, .es, .de, .co.uk, .org.uk, .us and all other geographic extensions (ccTLD):

- You must confirm the details that have been changed by clicking on the link in the message that will be sent to the new email address provided within 15 days of receipt.
- For 60 days after the change has been made, the domain name will be switched to transfer-lock mode, which means that during this time, the domain cannot be transferred to another Registrar. You have the option to request for the domain not to be switched to the locked mode.

I do not want the domain to be switched to transfer-lock mode for the 60 days following the change I am making.
